City and County of Honolulu Emergency Response

- ☀ Natural or human caused disasters can occur anywhere at anytime
- ☀ Even small events can morph into a major emergency response possibly requiring evacuation or other population protection issues
- ☀ DEM provides multi-agency coordination and response

City and County of Honolulu Emergency Response

It all starts with a call to 9-1-1

Incident Occurs

HFD/HPD Dispatch Notified

**HFD
Investigates**

9-1-1 Call Placed

City and County of Honolulu Emergency Response

Assessment Made

**Multi-Agency Response
Initiated**

**Major Event -
Incident Command Initiated**

City EOC Activated

City and County of Honolulu Emergency Operations Center

City EOC Primary Mission

- ☀ Provide additional resources
- ☀ Provide command and control
- ☀ Coordinate emergency notification
- ☀ Disseminate Emergency Public Information
 - Emergency Alert System Messages (EAS)
 - Outdoor Siren Warning System
 - Door to door notification
- ☀ Request State assistance if event so large that City resources are unable to mitigate

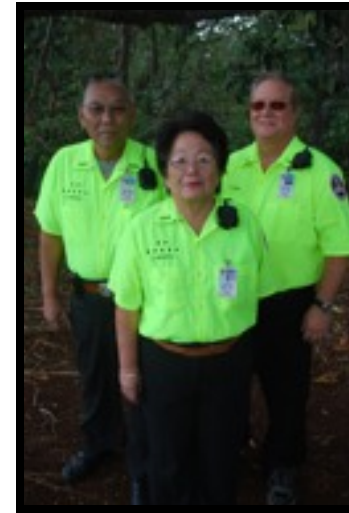

Additional EOC Functions

- ☀️ Activate Shelter Group
 - C&C Parks and Recreation
 - State DOE
 - American Red Cross
 - Hawaiian Humane Society
- ☀️ Consider evacuation needs
 - Tsunami
 - Hurricane
 - HAZMAT
 - Etc.

DEM Volunteer Resources

- ☀️ DEM Volunteer Reservists
- ☀️ RACES – Radio Amateur Civil Emergency Service
- ☀️ CERT – Community Emergency Response Teams

Post Disaster/Event

- Implement Recovery Operations
- Review response activities with all parties
- Implement appropriate Mitigation and Risk Reduction programs
- Prepare/plan for next response

Mahalo!
